#### Visitor/quiet hours at our hospital

While we encourage visitation for all of our patients, we ask that visitors observe our quiet hours so that patients can gain proper rest for optimal healing. Quiet hours last from 8:30pm to 9:00am.

#### Our hospital's special services

- 24/7 nondenominational chapel, located on the first floor
- ATM banking services
- Convenient, free parking
- Expanded, flexible visiting hours
- Food options, including a cafeteria, Subway sandwich shop, vending machines and gourmet coffee bar
- Gift shop with flowers, cards, magazines, and more
- Interpreters for several languages
- Pastoral care available at any time upon request or referral
- Wi-Fi access

#### Onsite pharmacy

Walgreens Pharmacy at Johnston-Willis Hospital is our full-service pharmacy, located on the first floor of the hospital atrium. You can contact the pharmacy Monday through Friday from 8:00am to 6:00pm and Saturday from 8:00am to 4:00pm at (804) 483-6910.

# Second Floor

The map illustrates the layout of the Second Floor. At the top left, the title "Second Floor" is displayed in a large, bold, dark blue font. The floor plan is divided into several sections. On the left, the "Neuroscience Intensive Care Unit" is located. To its right is the "Family Lounge". Further right is the "Patient Rooms 200-216 (even numbers)". Below the Family Lounge and Patient Rooms are the "West Elevators" and "East Elevators", both marked with blue icons of two people. To the right of the East Elevators is the "Neuroscience Patient Rooms 201-227 (odd numbers)". On the far right, the "Oncology Unit Patient Rooms TJ275-TJ298" are shown. Below the Oncology Unit are the "SCCI Elevators", marked with a blue icon of two people. At the bottom left, the "Atrium Elevators" are marked with a blue icon of two people. To their right is the "Surgical Waiting" area. Further right is the "Women's Health Unit". Below the Women's Health Unit is the "Urology Associates of Richmond". At the bottom right is the "American Red Cross Skills Store".

The diagram shows the second floor layout. At the top, a long horizontal bar represents the Patient Rooms (400-454, even numbers). Below this bar, on the left, is the Medical Care Unit. In the center, below the Patient Rooms bar, are the West Elevators (marked with a red cross icon) and East Elevators (marked with a red cross icon). To the right of the elevators is the Intermediate Care Unit. On the far right, a separate section contains the Neonatal Intensive Care Unit (NICU). A large, light gray area on the right side of the diagram represents the Atrium, which contains the Atrium Elevators (marked with a red cross icon) and a wheelchair icon.
