

Care Like Family

HCA Healthcare Far West Division - Las Vegas Market

Message from the division president

HCA Healthcare's Las Vegas Market stands as one of the largest and most advanced healthcare networks in Southern Nevada, with three major hospitals and more than 45 sites of care. From expanding access through urgent care centers and freestanding ERs to shaping the next generation of healthcare workers through robust education partnerships, this market is leading with innovation and impact. With over 1 million patient encounters each year and a strong portfolio of national quality awards, our Las Vegas facilities continue to set the standard for clinical excellence and community investment.

Warm regards,
Jackie Van Blaricum
President, HCA Healthcare Far West Division
